The tariff:

This tariff applies to maintenance services, for which the execution start date is 1 to 7 working days from the date of receipt of the request / service order (subject to the reservation that in case of the need to move the service from the facility located in another location, this date may be extended by the time necessary to rest in accordance with the labour code).

Net travel and transport costs of service

- Rate per 1 km of service travel and return by car .................................................. PLN 10.00 / km
- Travel and return of service technician................................................................. PLN 200.00 / 1 h / person

Net cost of the service stay

- Hotel and catering.............................................................. PLN 500.00 / day / person

Net cost of the service*

- One working hour on business day from 6:00 a.m. to 8:00 p.m. ............... PLN 350.00 / person
- One working hour on Saturdays, Sundays and bank holidays from 6:00 a.m. to 8:00 p.m. ................. PLN 500.00 / person

* The net cost of technical service from 8:00 p.m. to 6:00 a.m. on all days is increased by 50% of the applicable hourly rate of a given day.

Cost of materials and spare parts

- In the case of warranty repairs, the costs of materials and spare parts shall be borne by the Contractor.
- In the case of post-warranty service works, the costs of materials and spare parts will be determined with the Ordering Party, based on the prices valid on the market at the time of performing these works.

Notes:

- If it is necessary to delegate the service to the customer by any other means of transport than a car, such as an airplane, train, taxi or other - for the travel of a technician, the costs of air or rail tickets, which are not included in the cost of transport, shall be added to the above transport prices.
- This tariff applies only to service work carried out in the territory of the Republic of Poland. In the case of work carried out abroad, the costs will be agreed individually with the Ordering Party.
